Pace of Play Tips

4 hours 15 minutes per 18 holes

1. Play ready golf – forget "honors" and forget "away".

2. Plan your shots while others are hitting – on and off the green. Have next club ready.

3. If riding, drop off first player, drive to second ball. Second player should be ready when first player has hit.

4. Always carry tees, ball markers, and an extra ball in your pocket.

5. First player to putt in, tends the flag for the other golfers until the last golfer putts out.

6. Putt continuously until you hole out, unless restricted by another golfers line

7. Limit your search for lost balls., **3 min maximum**.

8. Be efficient with pre-shot routine, usually one practice swing.

9. Leave your clubs, or cart, in a path to the next tee, never in front of the green.

10. Mark scorecards on the next tee box, not next to the putting green.

11. **Always keep up *with the group ahead of you***. If you are falling behind, speed up or allow the group behind to "play through".

How to calculate your net score

Step 1: Start with your **course handicap** (not course index)

Step 2: In a corner of the score box underneath each hole, put a little dot for each stroke of handicap you have, starting with the toughest hole (marked "1"). Continue until you get to 18.

Step 3: If you still have strokes left on your handicap, start over by the "1" handicap hole and add a second dot, ladies start on hole #9-14-6 etc. Repeat this process until you have used up your entire handicap.

The number of dots in every box represents the number of strokes you can deduct from your gross score to get your net score on each particular hole. Your gross score minus your net score equals 72.

Examples:

Course handicap is 34 34-18 holes=16
Two strokes on 16 holes: 1-2-3-4-5-6-7-9-10-11-12-13-14-15-17-18
One stroke on 2 holes: 8 & 16
See example score card below.

Course handicap is 21 21-18holes=3
Two strokes on 3 holes: 6-9-14
One stroke on 15 holes: 1-2-3-4-5-7-8-10-11-12-13-15-16-17-18

RULES OF THE "#2 CLUB" -Par 3's

1. Any player who scores a two on a par 3 hole when playing with any other "2 Club" members initially pays ***$1.00*** to each "2 club" member (within your foursome/threesome or twosome). You will then obtain a "2 Club" pin.

2. Once a "2 Club" member, the player will then receive **$1.00** in the future from the other "2 Club" members of your playing foursome/threesome or twosome whenever that player scores a two on any par 3 hole.

3. All new "2 Club" members are eligible to induct other players into the club.

4. You can get a two ***anywhere***; you do not have to be at our home course, just as long as you are playing with another "2 Club" member. So if you have a 2 on a par 3 hole be sure and ask the players in your group "does anyone belong to the "2 club". If there are "2 Club" members in the group they will pay you a dollar. You will be surprised how many ladies belong to the "2 Club".

5. This only applies to "par 3 holes".
